

## Eligibility

Culture Quest's QuestPoints Reward Program is open to all group leaders participating on a Culture Quest Travel Program. No enrollment is necessary, and you will automatically be awarded QuestPoints upon completion of your group's travel program. The best thing about QuestPoints is they never expire!

## Value

Earn one point for every dollar your group spends on a Culture Quest Travel Program. For example, if you take 12 students on a travel program with a base program fee of \$2,000, you will earn 24,000 QuestPoints. It's that easy!

You can also earn 1000 QuestPoints by referring a colleague who organizes a travel program with Culture Quest.

## Redemption

QuestPoints can be redeemed for either:

- **Free airfare** to anywhere in the world! The total cost of the ticket(s), including taxes and fees, cannot exceed the dollar values listed in the chart below.
- **A student travel scholarship** on any Culture Quest Travel Program. You can make the difference in a special student's life by drastically reducing or even eliminating the cost of travel.

QuestPoints	Airfare Value	Scholarship Value
150,000	\$450	\$570
300,000	\$990	\$1240
500,000	\$1830	\$2290
750,000	\$3040	\$3800
1,000,000	\$4500	\$5630

## The Rules

- QuestPoints never expire.
- QuestPoints are nontransferable.
- QuestPoints have no cash value.
- All QuestPoints are awarded solely to the primary group leader who may, at his/her discretion, distribute the points among other group leaders participating on the same travel program. A request to Culture Quest must be made in writing by the primary group leader prior to the departure of the travel program.
- QuestPoints are earned only on the travel program's base program fee. No QuestPoints are earned on departure taxes, gratuities, weekend travel surcharges or any participant traveling on a discounted program fee.
- Referral points are awarded upon conclusion of the referred group leader's Culture Quest Travel Program.
- QuestPoints may be redeemed for more than one free airline ticket, provided that all tickets are purchased at the same time. If the total cost of the ticket(s) exceeds the corresponding dollar value, Culture Quest will bill the QuestPoints owner for the difference.
- The total value of the scholarship can be awarded to one student or divided among two or more students traveling together on the same Culture Quest Travel Program.
- QuestPoints may be redeemed only at the levels listed in the chart above. No partial redemptions are permitted.
- Redemption values subject to change.
